"Took my son and his friend and we loved the mini golf course. 18 holes, clean, well cared for, reasonably priced. And the ice cream? There are so many delicious flavors to choose from, we'll be back just to get the ones we couldn't get this time. The peanut butter oreo, to die for!"

"My family has been enjoying Priscos for years. Getting our first ice cream from the creamery in June is our official start of summer. The food and ice cream is great, but what I really want to say thank you for, is how they truly give back to the community. Prisco's has donated in many ways to the many sports in Bridgewater. My youngest son plays basketball on the Prisco property, all 3 of my boys play football, and Prisco's sponsors events where athletes appear to sign autographs, donating funds to the Badger program. We love the mini golf and the batting cages....and on any given day, the owners will be joking around with customers and offering to take pictures of his visitors in front of the mini golf waterfall. So.....keep on helping the town of Bridgewater, your efforts do not go unnoticed."
